

ELARA[®] PLUS

The ultimate hydrotherapy experience for at-home wellness

WELLNESS WITH QUIET ELEGANCE

Imagine having the flexibility to adapt your bathing experience to your specific wellness needs. Whether you bathe for the purpose of recovery, relaxation or cleanliness, the Elara® Plus offers something for everyone.

- The Elara Plus® hydrotherapy circuit delivers the ultimate wellness experience in a quiet, elegant design
- Three unique massage seats bring the benefits of a hydrotherapy circuit experience into your home
- 28 whirlpool jets provide tailored hydromassage to key muscle groups
- Innovative Whisper+ Technology™ reduces noise and vibration up to 66%
- Flush-mount SlimPro® jets deliver the optimal massage comfortably

Whatever the day may have in store for you, there is an ergonomically designed seat with ideally positioned jets waiting to be incorporated into your wellness routine.

Jacuzzi® Epsom Salts

Compatible with Jacuzzi® Epsom Salts to help recover from physical activity, soothe sore muscles, ease aches and pains, soften skin and relieve stress.

ELARA® PLUS – Hydrotherapy Circuit

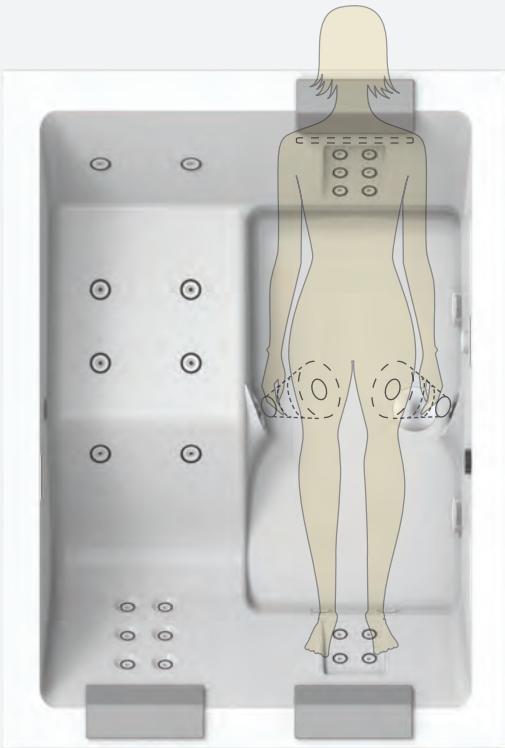

The Lounge

The Lounge seat provides the full-body hydromassage experience needed after a strenuous workout. Comprised of six back jets, two hamstring jets, four calf jets and two foot jets, this will become the most desirable seat in the house.

The Waterfall

The neck-massaging Waterfall seat envelops the body from above—the perfect escape after a long day at work. Comprised of a fully-adjustable massage waterfall, six back jets, two TargetPro™ leg jets and two foot jets, your upper body will thank you while the rest of your body benefits from hydromassage.

Rotated View

A dramatic cascade of water caresses the neck area in the Waterfall seat. The LED-lit flow is fully adjustable to meet your individual needs.

The Blissful Back

The Blissful Back seat gives those stubborn knots some TLC after a day of lifting or running errands. Comprised of four back jets, two lower lumbar jets, two TargetPro™ leg jets and two foot jets, this seat provides laser-sharp focus on the areas where you need it most.

ELARA® PLUS – Standard Features

Whisper+

66% Whisper+ Technology™ reduces whirlpool noise and vibration up to 66% compared to standard Whirlpool systems*

60% Pump uses 60% less energy than other heated Whirlpool systems**

*Based on results at a third party test facility. Elara® standard 120v Whirlpool bath vs. Elara® Whisper+ Technology™ 120v Whirlpool bath.

**Based on results at a third party test facility. Elara® standard 120v Whirlpool bath with heater vs. Elara® Whisper+ Technology™ 120v Whirlpool bath.

J4 ELECTRONIC CONTROLS

Two electronic controls for dual adjustability of lighting, jets and air volume.

J5 LCD CONTROLS

Available as upgrades. Offer dual adjustability, quick-start menus and customizable stored preferences.
