Designed to fit in place of a standard bathtub or shower, offering Jacuzzi® Brand hydro-massage outside of the bath for the first time. Removable chair provides flexibility for the entire family.

CONTROLS

The **WHIRLPOOL** button turns on the whirlpool jets. Each jet can be adjusted to emit more or less water. Simply turn the outside rings. Adjust the direction of the jet by moving the inner nozzle.

The **AIR CONTROL** button adjusts the amount of air introduced into the whirlpool jets. Choose less air for a softer massage or more air for a vigorous massage.

The **PURE AIR**® button turns on the air injectors to provide soothing bubbles.

The **LIGHT** button controls the Chromatherapy lights on the walls of the tub. Each press of the button will cycle through the nine color options. Press until you find the color you desire.
